Evening Ashley,

Here's the reviews of the DEIR-Hydrology and Utilities along with the Cumulative Water Demands Memorandum. A working meeting is in order with Dudek once they've finalized their four groundwater investigations that feed these.

<http://webtop-dctm/lueg/drl/objectId/0900f48e80a6efab>

I will be off to other projects for at least a week unless something else requires emergency attention.

Thanks!

Jim
